

Town of Georgia Historical Road Research Project DRAFT Map

Date: 8/12/2014

This project was funded by an Ancient Roads Research and Mapping Grant program and the VT Department of Housing and Community Affairs. The project was initiated in response to [Act 178](#), an Act Relating to Unidentified Corridors. This map is not of survey quality. This map is for planning purposes only and can be referenced by the Georgia Select Board in deciding how to meet the obligations of [Act 178](#). Research of municipal records was completed by the Georgia Ancient Roads Committee. Some of these roads were from the historical society - informational only, not recorded in land records.
