Project Description: Garage

Dear Applicant,

Your Town of Georgia Zoning Permit Application has been approved.

This permit will take effect on 10/29/23 or until final adjudication of any appeals.
An appeal may be filed until 10/28/23.

This Zoning Permit will expire one year from the date of issue unless extended. An extension of the Zoning Permit may be extended by the Zoning Administrator when substantial construction or due diligence is evidenced, provided a written request for extension is submitted prior to the expiration of the permit. Zoning Permits for accessory structures will not be extended beyond the original one-year permit period.

The Zoning Administrator shall be allowed reasonable access to private or public property for the purpose of inspecting and investigating conditions relating to any Zoning Permit or application for a Zoning Permit. An application for a Zoning Permit may be denied if reasonable access is not provided.

Finishing your project does not mark the end of the Permitting Process. The town must review all municipal permits for compliance in order for the property to be sold at any point in the future. The town uses a Certificate of Occupancy issued by the Zoning Administrator before use or occupancy of the land or structure which requires the Zoning Permit. An application for a Certificate of Occupancy form may be obtained from the Town of Georgia website or at the Town Hall and submitted with any supporting documentation. Fees for the Occupancy Permit and recording were submitted at the time of the Zoning Application. Further documentation required for issuance of the Occupancy Permit are listed below:

- ☐ Vermont Residential Building Energy Standards Certificate (RBES)
- ☐ State of Vermont Wastewater and Potable Water Supply Permit.
- ☐ Septic system certification letter issued by your licensed septic designer.
- ☐ US Department of Housing HUD 309 form for manufactured home.

If you have any questions, or I may be of further assistance to you, please do not hesitate to contact me.

Sincerely,

Douglas Bergstrom
Zoning Administrator
DRB, Planning and E911 Coordinator
Floodplain Manager
