

Marriage Licenses

Overview

Marriage certificates are issued from the municipality where either you or your partner currently reside. If you are from a different state or country you may apply at any Municipal Clerk's office. If you are planning a destination wedding outside the U.S. you would inquire with the nearest consulate on how to proceed. You may visit the Clerk's office or fill out the application

below. Both party signatures are required on the application. At least one party's signature is required to issue the license. The Clerk may ask for valid identification or documentation. Licenses are valid for 60 days, after which the fee is non-refundable and you must apply for another license. Please review the Civil Marriage Application to ensure you will have all of the information required.
